## INSTITUTION POLICY FOR ADVANCED LEARNERS AND SLOW PERFORMERS

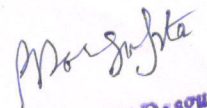

The institution provides a dedicated environment for learning. It is equally committed to let the advanced learners excel themselves as well as for the slow performers to improve and reach the desired standards. The institute conducts numerous programmes for the same.

### ADVANCED LEARNERS

- Advanced learners are identified on the basis of marks achieved in internal assessment and university examination. Students scoring more than 65% in internal and university examinations are considered to be advanced learners.
- Such students are provided career counselling with details of Post-Graduation studies in renowned Universities.
- Such students are also provided with reference books for direct self-learning.
- Learners are asked to search websites for topics of interest to them.
- Such students are encouraged to participate and excel in research activities.

### SLOW PERFORMERS

- Slow performers are identified on the basis of marks achieved in internal assessment and university examination. Students scoring less than 35% in internal assessment are considered to be slow learners.
- Counselling by the Departmental Teacher is done to identify problem areas and learning difficulties of such students.
- Extra classes are conducted for such students at the End of the Semester.
