- Serious Creative Writer, determined to write better and more. Three published novels are- The One Within, And Autumn Came in 2 Volumes, The Administrator; presently available in Amazon and Flipkart, Kindle, International E books, Play Store, Google Books world over. The later has received some good Star Rating and some positive reviews. In search of a Literary Agent to represent me.
- Experienced enough for higher openings in future if they are lucrative enough. Can work single- handedly, without the aid of a secretary or Personal Attendant, as he is doing for the last five years.
- Also officiate as a grooming expert with perceptions of formal and casual dressing, beautification and haircut of males, necessary for polishing up the image of an institution, office or corporate sector and making it more update. Having ability to hold workshop on these too, with live sessions and demonstrations.
- With strong corresponding abilities at all levels and knowledge about construction and electrification of educational hubs through Government Agencies.
- Having knowledge about UGC related affairs, preparation of Service Roster through Backward Class and Labour Department, and Higher Education Department of the State.
- Having knowledge and infrastructure of conducting online classes of varied subjects in the School, College and University levels.
- Has enabled nearly 20 permanent Assistant Professors to join various Departments, dramatically increasing the number of Classes of the institution. Also succeeded in enabling 6 Non- Teaching Staff to join in permanent Group C and Group D posts. Well-equipped to control Students Union.
